

January 2011

Manager's Report

RM Autrey left on December 23rd. Frank accomplished a lot while he was here, and we wish him well. Two candidates for the job were interviewed Friday morning.

Per Frank's recommendation, we pursued the hiring of a road crew foreman. Dennis Nance has been selected to fill that position. He will start Monday, Jan 31st.

In the interim, the road crew has declined to work for TR. Dennis will be looking for replacements for the road crew.

Pam Gordon has been hired as Front Desk Manager. She is managing the cabin rentals and the support required for that operation.

Water issue. Lodge will be closed Feb 6 & 7th for cleaning of the water storage tank. Iron sludge is showing in the water.
